The Niagara Community Center opened its doors in September 2016 with one mission—to improve the lives of the youth in Niagara Falls and the surrounding communities.

The newly constructed facility will provide a safe, enriching environment during out of school and weekend time with a mixed use space suitable for tennis, cheerleading, volleyball, soccer and other activities.

By providing an outlet for children and teenagers to find mentorship, participate in sports, and seek educational assistance, “The Niagara” hopes to enrich the lives of the youth in the region to create a brighter future for everyone.
